YOUR POLICY

Please refer to **Your** Policy document and its **Policy Schedule** for confirmation of the extent of the cover under this Policy and in particular that it meets **Your** needs. **You** should check that the information **You** have provided to **Us** where shown in **Your Policy Schedule** is fully correct.

When giving answers to the questions that **We** ask when **You** take out, make changes to, and renew **Your** policy, **You** must take reasonable care to provide information to **Us** that is accurate and complete. If **You** do not do this it may mean **Your** policy is invalid and that it does not operate in the event of a **Claim** or **We** may not pay a **Claim** in full.

If **You** become aware that information given to **Us** by **You** or anyone acting on **Your** behalf is inaccurate or has changed, **You** must inform **Us** as soon as possible.

Your Best4 Policy is divided into two parts separately covering **Your** Auto Fixter Warranty and **Call Assist Roadside Assistance**. Please carefully read **Your** Policy and make sure **You** understand and fully comply with its terms and conditions. Failure to do so may lead to non-payment of a **Claim** and could lead to this Policy becoming void.

Please keep this policy in a safe place and if **You** do have any queries please contact **Us**.

POLICY ELIGIBILITY CRITERIA

Your Vehicle is eligible for cover under this Policy always provided that:

1. It is less than 12 years old and has covered less than 100,000 miles on the day that **Your** cover under this Policy commences.
2. When proposed to **Us** for cover, it is mechanically sound, fully roadworthy and fully functioning in accordance with what would be considered to be normal for a vehicle of the same model of similar age and mileage in good condition save where any defects are fully disclosed to **Us**.
3. It is a motor car designed to carry no more than eight people including the driver, or is a small commercial vehicle of less than 3,500kg gross weight.
4. It is used for private purposes only on public highways save where otherwise agreed by **Us** and any additional premium has been paid.
5. It is otherwise not an **Excluded Vehicle**.
6. It is principally used in the **UK**.

SERVICING REQUIREMENTS

For cover under this Policy to apply the **Vehicle** must be serviced in line with manufacturer's recommended guidelines:

If there is a valid service history with the **Vehicle**, then the manufacturers recommended schedule must be followed. Servicing must be completed at a VAT registered garage and fully itemised invoices must be retained for inspection by **Us** in the event of a **Claim**. Pre-delivery inspection will not be classed as a service. If any circumstances prevent a service being carried out at the correct time **We** must be informed immediately by e-mail or by recorded delivery.

If **You** do not have a valid service record book or printed service history, then the first service must be carried out within 6000 miles or 6 months from the date that cover under this Policy commenced. The service must be completed at a VAT registered garage and consist of the following as a minimum requirement:

1. Change engine oil and filter.
2. Check oil levels in the gearbox and differential top up where necessary.
3. Check coolant level and anti-freeze/inhibitor strength and top up where necessary.
4. Check timing belt* if fitted and renew if necessary,
5. Brake fluid must be replaced in accordance with the manufacturer's recommendation.

Thereafter **You** must continue to service the **Vehicle** in accordance with the manufacturers recommended schedule.

The only acceptable proof of servicing if **We** require this will be the fully detailed VAT service invoices indicating servicing dates and mileages and/or a correctly completed and fully stamped service booklet.

Please retain copies of all previous service invoices for **Our** inspection in the event of a **Claim**.

In addition to servicing requirements **You** must also reasonably maintain the **Vehicle** as recommended by the manufacturer, for example, checking fluid levels.

Failure to comply with the above service or maintenance requirements will result in rejection of any Claim.

* If **Your Vehicle** has a timing belt, otherwise known as camshaft drive belt, please make sure it is in good condition and that it is checked and changed in line with the manufacturer's recommendation. If the timing belt breaks it can cause serious engine damage. No **Claim** will be accepted for damage caused by the failure of a worn out/or incorrectly fitted timing belt.

You must remember to have Your Vehicle regularly serviced in accordance with the service requirements of this warranty

FREQUENTLY ASKED QUESTIONS

Please note that the following information is for your general guidance only and does not form part of your Policy terms and conditions.

My vehicle has a problem what should I do?

If your vehicle shows signs of an imminent failure, **DO NOT** continue to use it but immediately stop (providing it is safe to do so) and arrange for it to be recovered to a competent VAT registered repairer. You should ask them on your own authority to carry out diagnostics of the fault.

When the garage has fully diagnosed the fault with your vehicle and if you/they believe that there might be a valid warranty claim under your policy, and before they carry out any repairs, they must call us on +44 (0)3300 944 444 and advise us of what the fault is, its probable cause and what the cost of the repair is likely to be.

Please refer to your Best4 policy schedule to find your claim limit and hourly labour rate cap as this may influence your choice of garage. If your claim is successful you will still be liable for any costs that exceed any policy claim limits or hourly labour rate.

If you don't have your policy schedule with you please call Best4 on +44 (0)3300 944 444 and have your vehicle registration number ready.

Can't I just have vehicle fixed and just send you the bill?

No, you cannot do this. Any repair work has to be approved by Best4 BEFORE any repairs are carried out.

What will I need to provide apart from the repairers estimate for my claim to be approved?

You will need to provide us with service documents relating to your vehicle and where applicable its MOT certificate before we can approve any warranty repair.

Once my claim has been approved and the repair has been made, what paperwork do I need to send in?

For you to be reimbursed you will need to send Best4 the following paperwork within 30 days of the claim being approved:

1. A signed claim form that we or the garage will provide to you
2. A fully detailed VAT invoice from your repairer made out to Best4.
3. Proof of payment if you have made payment to the garage.

The exception to this requirement is if a Halfords Autocentre has repaired your vehicle. In this situation, you don't need to send Best4 Warranty any repair documentation.

Once I've sent you the paperwork to Best4 when will I be paid?

Once we have received ALL the fully completed claim-related paperwork and are satisfied that your claim is in order, we will transfer payment to the designated bank account within 14 days.

What does my warranty cover?

Your policy booklet will explain what is and what is not covered by your warranty and what you have to do to make sure that the policy cover is fully effective.

If You cannot find your policy booklet either download the booklet PDF from the Best4 Warranty website or call us on +44 (0)3432 271 499 and request a handbook to be sent to you.

What do I have to do to renew, extend or change my cover?

Please telephone us on 03300 944 444 and quote your policy number as shown on your policy schedule.

If at the end of your policy you wish to renew your cover with us, then please visit www.best4warranty.com for a competitive quote.
